Foreword

As Ohio celebrates its one hundred and fiftieth birthday as a state, we, the seniors of Central have chosen as the theme of our annual, the Centripetal, the Religious aspect of Ohio's history and its subsequent affect on CCHS.

From the founding of the first Catholic Mission in Ohio in 1751 by the Jesuits Missionaries, the Church spread into every section of the state teaching, aiding, and converting thousands for the honor and glory of God. From Bardstown, Kentucky missionaries, who were sent into the Southwest corner of Ohio to what is now Cincinnati, began their heroic struggle to keep alive the faith in this section. Their followers carried on the task as they traveled into the northern part of the state.

Throughout the pages of our yearbook we will relate not only this year's important events in classes, organizations and sports, but we will also attempt to recall for our readers the beginning of Catholicism in this area of Ohio. By doing this we hope to reveal what the effect of the founding of Ohio, the establishment of Toledo and its first Catholic school had upon the present Central Catholic High School. For what our founding fathers of one hundred and fifty years ago did for the Catholic Students of Toledo today, Centralites are grateful.

Although the
first shrine of
Catholicity within the
limits of the present state of Ohio was erected at
Oosandooskee (Sandusky) about 1751, the actual
history of Catholicity in Northern Ohio dates from
the visit of Rev. Edward Fenwick O.P., who had been
commissioned, in 1811 by the R. Rev. Benedict Flaget,
the first bishop of Bardstown, Ky., to take
charge in the state of Ohio. This
territory which included not only the state
of Ohio but also Michigan and the
Northwest Territory was
in the Kentucky
diocese.

To Arlene!
Good Luck now
to future years.

Dedication

Twenty-six years spent in preparing the youth of Central to cope with the intricacies of mechanical drawing and physics is the record of Mr. Valentine C. Fischer, a member of Central's faculty since 1927.

Mr. Fischer, who was born on St. Valentine's Day, received his elementary education at SS. Peter and Paul.

A graduate of Waite High School, Mr. Fischer matriculated at the University of Detroit where he received his B.E.E. degree in 1927. In September of the same year, he began his teaching career at Central as an assistant to the late Rev. G. W. Dunne, in the mechanical drawing department.

While teaching, he continued his education by taking extension courses at Toledo University and Ohio State University. In 1931 he received his B.S.E. degree from Toledo Teachers' College.

During the summer months, he continued his role as teacher at Toledo Teachers' College, later named De Sales College.

Teaching, however, isn't his only pursuit. Mr. Fischer is a registered Ohio Engineer, a surveyor, a notary public, and the school's treasurer.

It is, therefore, with sincere appreciation to Mr. Valentine C. Fischer that we dedicate this, the 1953 edition of the Centripetal.

Mr. Valentine C. Fischer, B.E.E., B.S.E.

So Andrew

Realizing his diocese
was too large, Bishop
Flaget appealed to Rome for aid. In 1821
Pope Pius VIII created the See of Cincinnati and appointed
Father Fenwick its bishop. All Ohio, Michigan,
and the Northwest Territory remained in the
new see. In 1840, Bishop Purcell, who succeeded
Bishop Fenwick, sent the Rev. Amadeus
Rappe, a Frenchman who had offered to come to
America to serve the Cincinnati diocese, to Toledo,
where he worked alone for five years.

Father Rappe establish-
ed, in 1841, St. Francis de Sales
parish, whose school became
the nucleus of the present Central Catholic High School. During
this period Catholicity was making wonderful
strides in the Cincinnati Diocese and Bishop Purcell found
his see too large for his personal attention. He petitioned
Rome to relieve him of part of his juris-
diction. As a result the Diocese of
Cleveland was erected in 1847 and Father
Rappe "the missionary of the Maumee"
was appointed its first
bishop. Toledo was in
the new diocese.

CCHS ————— It is impossible for us, the seniors, to fully comprehend the loving link which you, in four short years, have welded between your students and you.

But in the years to come, we will look back to you, our Alma Mater, with memories acquired during our four years, vivid in our minds. We can never forget the true Christian spirit you contain within your walls, a spirit we can apply to anything we undertake in later years.

To the valiant men and women who have given their lives that we might learn, we cannot adequately express our gratitude. They have given us a priceless gift, a Catholic education, which we will try not to lose.

We leave owing you, Central, an eternal debt of gratitude. We can, however, repay a small portion, by remaining true Centralites, practicing all we have learned in a way that you will be proud to have played a major part in our school life.

So to you, CCHS, the class of 1953 bids farewell. May God continually bless you and keep you so that others may receive your benefits as we have.

growth was similar to Cincinnati's² in 1910 the Holy See separated the territory² & erected the Diocese of Toledo. The Most Rev. Joseph Schrembs, D.D. was appointed its first bishop. Upon his shoulders fell the burdens of organization, the expansion for higher learning within the diocese. The nucleus school (St. Francis de Sales) "became Cathedral Chapel High, outgrew its quarters² and was established in the Old Medical Building on Cherry² and Page Streets, as Central Catholic High. This event, the bishop characterized as a milestone in the program of parochial education. In 1921 Bishop Schrembs was appointed to the See of Cleveland.

RELIGION

The objectives of the religion course are: to help students habitually see God, to strengthen their confidence in Him and His promises, and to enable them to know and to practice their faith so that they may spread a knowledge of God's love and bring happiness to themselves and to others.

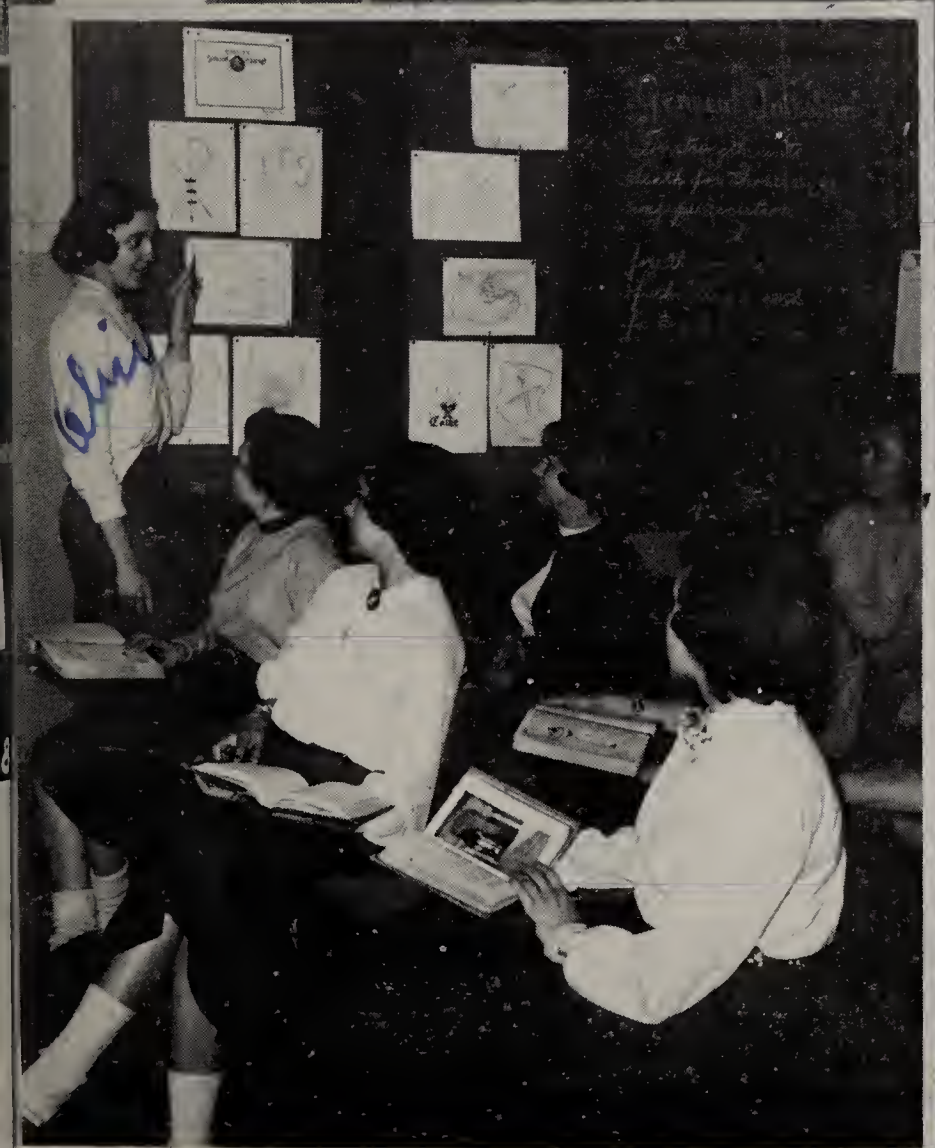

"Our Quest for Happiness," the main theme of the religion course, is divided into four parts; each part a year's work. "The Creative Love of God the Father" is taught in the freshman year. The second year students study the "Redeeming Love of Christ the Incarnate Son." The juniors delve into the intricacies of the Sanctifying love of the Holy Ghost and the Church. The seniors study the beautifying love of the Triune God.

Many facilities are available in order to keep the spiritual life of the students in practice. Mass and Holy Communion are offered every morning in the chapel. A retreat, May convocation, and Senior day of recollection are annual events.

ENGLISH

English, which is a basic subject in our high school curriculum, deals with the skills of conversation and written composition through a mastery of grammar as well as an appreciation of literature.

In the freshman and sophomore years, students build a foundation of good English by a complete study of grammar, reading, and a study of literary types. The Juniors specialize in American literature while continuing the study of grammar. A special project of the junior year is the research or Junior Essay.

Seniors may choose English literature or journalism. The course in English literature provides a study of the major English authors. The journalism classes study the newspaper and publish the school paper every two weeks. Seniors may also choose public speaking, a one semester course designed to give students confidence and poise in addressing a group.

One purpose of the English course is to give students a better appreciation for good literature. Since English is an important subject for preparing for all future occupations, Central requires four years of English for every student.

SPANISH

One of the most popular romance languages, Spanish, is offered to the students in a two-year course.

In the first year of Spanish, the students are introduced to the language itself. The rudiments and structure of the Spanish tongue are stressed in preparation for the second-year study. In addition to the language, the customs, dress, art, and culture of Spain and Mexico make up the study for the second year.

The knowledge of Spanish is beneficial and interesting as well as instructive and a source of inspiration to the Spanish student. An understanding of this subject will enable students to follow with more intelligence the intercourse of the United States with Spain and Mexico.

FRÈNCH

The two years of French open to Centralites has an immediate aim: to humanize the teaching of French and to prepare all students to live more effectively in the world today. This aim presents the language through the contributions made by France to the heritage of the modern world in such fields as literature, folklore, history, science, music, craft and the arts craft.

Thus, the student finds his own language enriched, his appreciation of a foreign people broadened, and his study of another language made immediately functional.

By becoming acquainted with a few of the facts of French geography and history, and by learning about her great men and women and the contributions they have made in government, science, art, music and literature, the student will understand the role that France has played in the development of the western civilization that he has inherited.

GERMAN

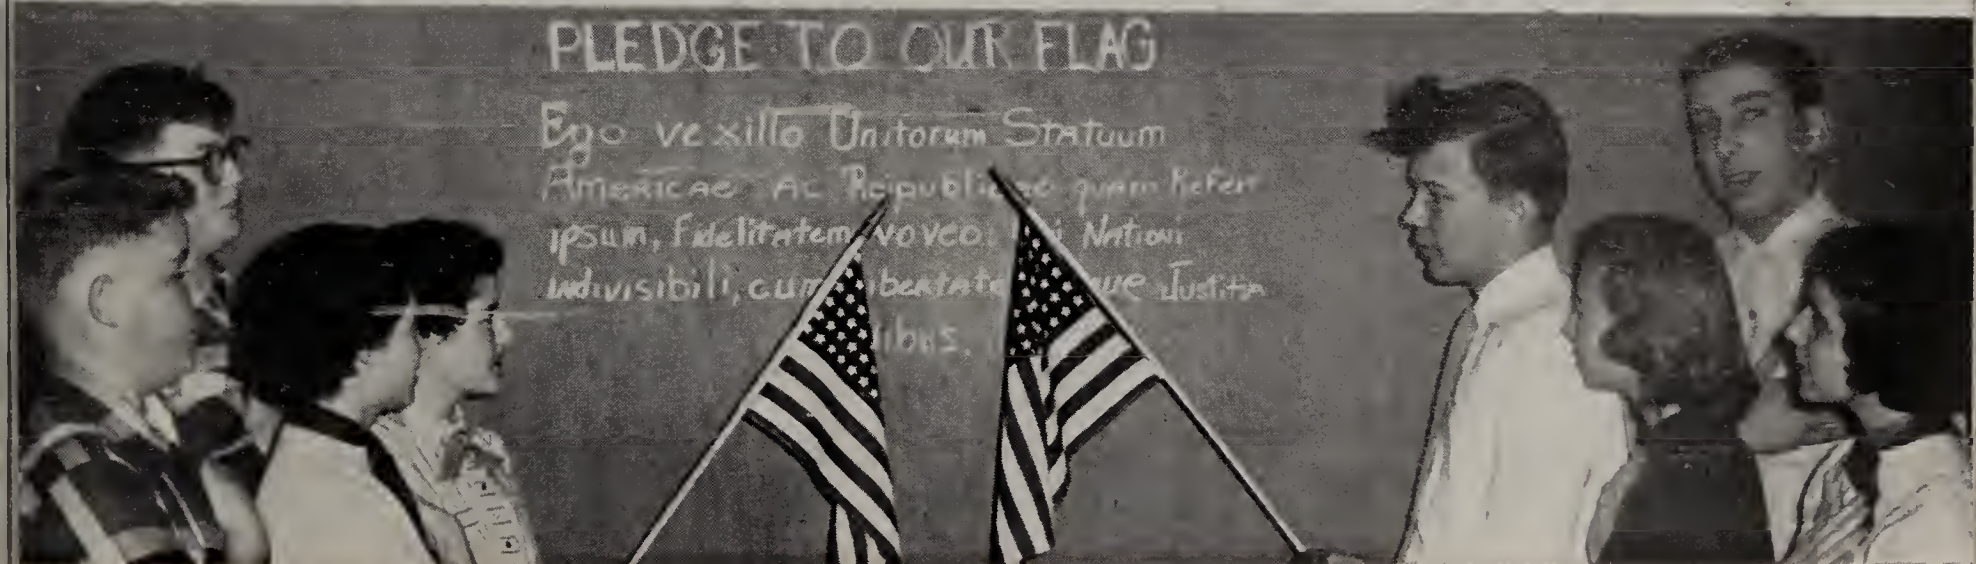

German, a modern language, is offered to students in a two-year course. In the first year the student learns vocabulary and in the second year he becomes acquainted with not only the language but also the customs and culture of the German people. Germany, as a nation, has contributed greatly to the culture of the world. While studying the language the students learn of the geography, industries, music, literature, and scholars she has given us. "Deutschland" is also known for her architecture, especially for her cathedrals with their pointed steeples reaching toward heaven as if giving praise and thanks to God for His wonderful gifts to this land of beauty and enchantment.

LATIN

"The language of the scholars" is an applicable title for the most extensively taught foreign language in Central; for Latin is the basis of practically fifty percent of the modern English language. It is a required course for doctors, lawyers, priests, and the like who must acquire a working knowledge.

In the first year vocabulary is begun and the basic constructions are taught. More difficult constructions, together with translations of Caesar's Gallic Wars, are the work of the second year student. The third year pupil masters all constructions and indulges in the orations of the famous orator—Cicero. Having this great reservoir of knowledge at his disposal the senior Latin student is able to participate in "conversational" Latin, translate the complicated lines of Virgil's Aeneid, and work on the great encyclicals of the Popes.

HISTORY

History, the story of a man from the dawning of time to the present day, is introduced to the freshman through Ancient History. The sophomore year is occupied by Modern History which traces the history of Modern Europe. American History taken by all juniors, covers the earliest explorers of our country to the present day. The seniors must take Government which enumerates each phase of our American government; they may take sociology or economics.

History, the story of man's success and failure in life, proves to be a useful subject to all students.

BOYS' ART

Among the many departments at Central, Boys' Art Department has developed the fastest. The boys in this course pursue the theme quoted by St. Thomas Aquinas: "Art is right reason in making things which need to be made." Under the inspiration of these words they develop skill in metal-craft, painting, ceramics, woodcraft, modeling, leather-craft, and bookmaking.

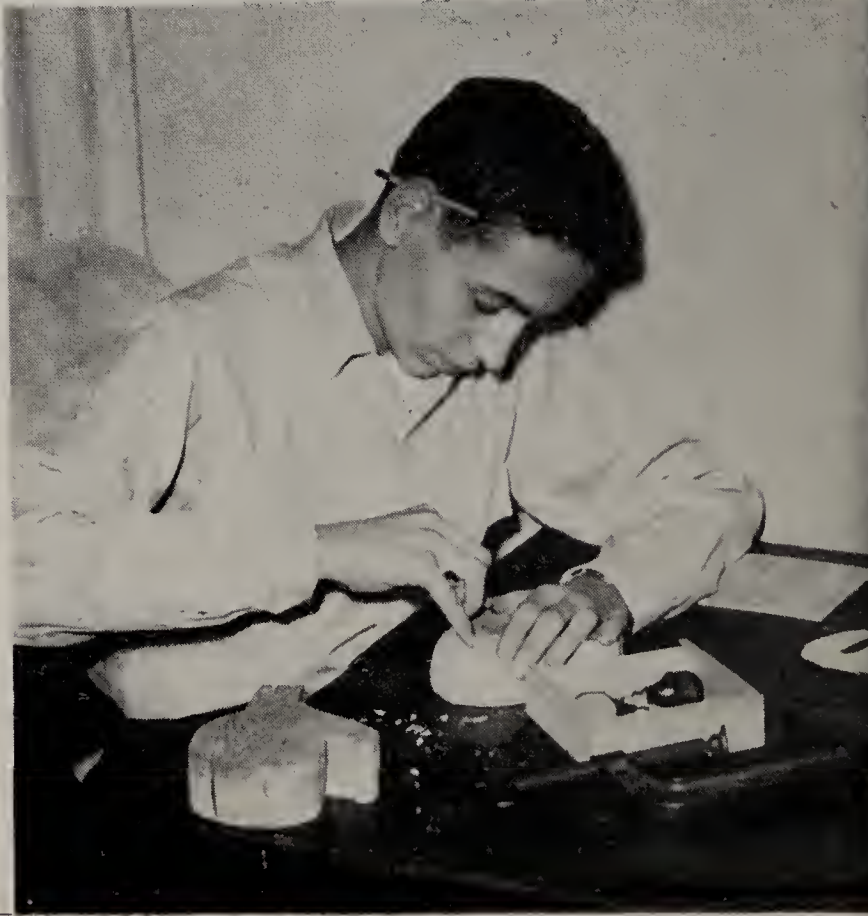

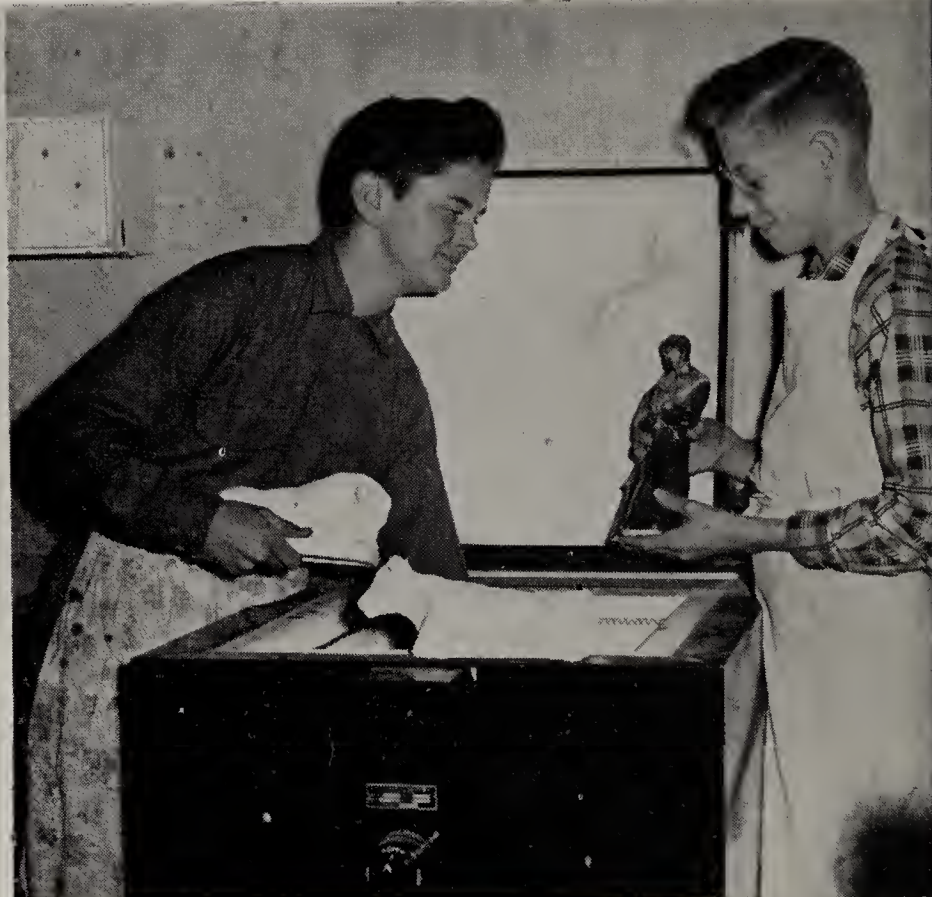

The major project, for this year's junior and senior boys, was to design the background for the altar of St. Gregory's Mission Church, Michigan.

GIRLS' ART DEPARTMENT

The members of the girls' art department bring out the true beauty of many fields of life. This is done through the use of paints, pencils, clay, leather, and cloth.

Art students prove their ability by means of beautiful displays, various true life scenes, clay models, posters, needle work, and through the fine applications of make-up for plays, assemblies, and the operetta.

MATHEMATICS

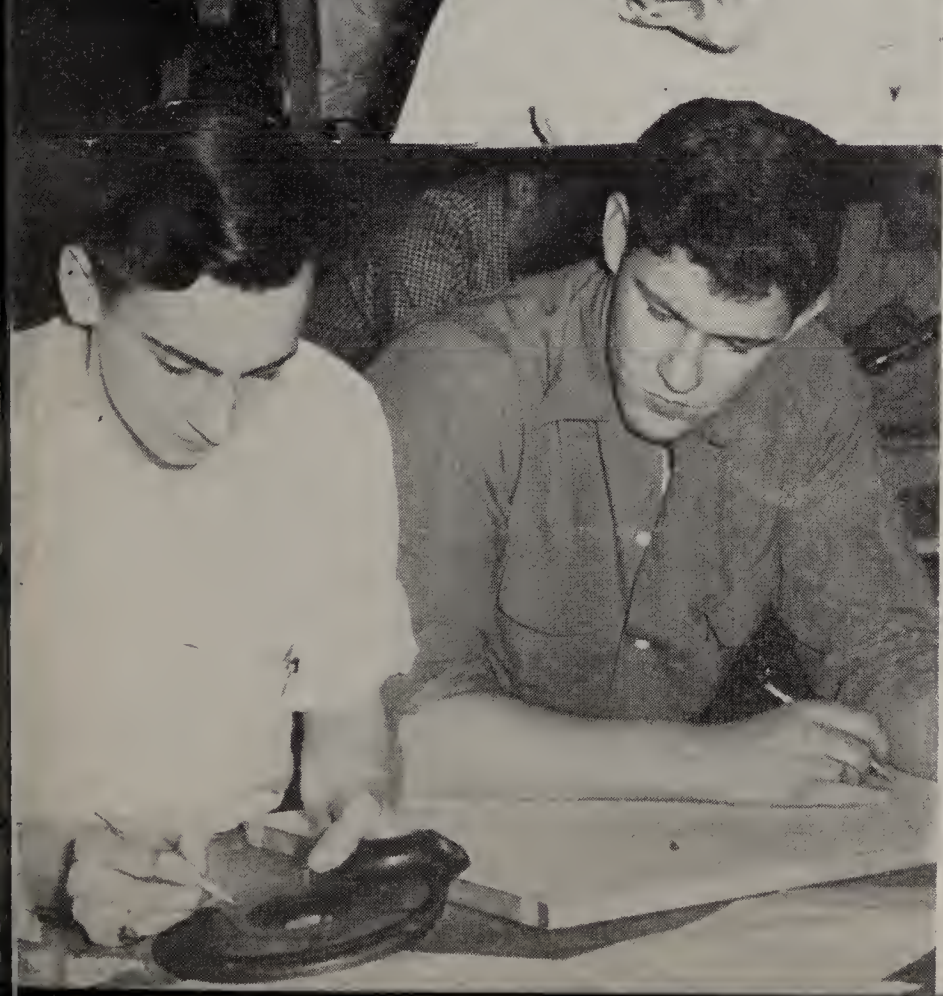

The fields of mathematics at Central are wide spread.

For the future scientists, engineers, and inventors of tomorrow there is a clear and thorough course of mathematics presented at Central. First there is elementary algebra and plane geometry, which are followed by advanced algebra, solid geometry and trigonometry.

For the student interested in the business side of mathematics there are the courses in Business Arithmetic and General Mathematics.

DRAFTING

Preparing the engineer of tomorrow, is the aim of the mechanical drawing and surveying department.

In the freshman year the course comprises projection, geometry, surface development, and types of perspective.

Machine design, gearing, cam design, and the use of the slide rule are taught to the sophomore. With this fundamental background the juniors assemble various mechanical projects.

The senior draftsmen complete their high school training in drafting with a course in civil engineering.

GENERAL SCIENCE

A fundamental step in the study of natural sciences is offered in the General Science course.

General Science familiarizes the freshman with the God created nature of the air, water, sun, earth and other planets. Other subjects covered by this course are the natural resources infused in the earth, nature and the uses of electricity and magnetism, and a few points concerning the human body.

PHYSIOLOGY

The course in physiology is pointed out to those students who are setting their hopes on becoming either nurses, dieticians, home economists or any other branch of the biological fields. Since the study of physiology is a great asset in knowing means of good health, the course is wide open to all Centralites.

Through physiology the student is familiarized with the fundamentals of health as applied in daily life.

BIOLOGY

Biology, the science of life or living matter in all its forms and phenomena, is planned for the student who has had little or no training in this absorbing subject.

Starting with the fundamental principles of life, the student advances, step by step, to the more complex and intricate forms of plants, animal, and human life. This is accomplished through serious study, observation, and thorough examinations.

The course aims to furnish the student with the study of life according to Christian principles.

PHYSICS

Physics, certainly, is the most basic and applicable science today, for no matter what the other science may be, the principles of Physics are utilized. Mechanics, heat, light, sound, electricity, and atomic physics are the major branches of this fundamental course. The physics student studies the natural laws of these divisions and twice weekly is able to apply his new-found knowledge through experiments in the laboratory. Weekly movies, are shown, to illustrate the various applications of physics in the world today.

CHEMISTRY

Chemistry is a science by which analysis ceaselessly unravels the secrets of nature. By synthesis it endeavors to improve upon nature. Because chemistry deals with the study of matter and the changes that matter undergoes, it is necessarily a very broad subject. All that high school students can hope to accomplish by studying the various laws and their application; the preparations, properties and uses of a few important substances; facility in solving a few types of chemical problems; is but to scratch the surface of the science. Chemists early realize the smallness of human accomplishments and the omnipotence of the Creator.

HOME ECONOMICS

The homemaker of today must know the important role she plays as a pal to her husband, as an understanding mother, and as active member of the community.

The students in the Homemaking Classes are preparing for their vital role in life by studying the basic phases which are Family Budgeting, Food and Nutrition, Clothing and related arts, Family Nursing, Work simplification, and how to get along with people. The students also are trained to be intelligent citizens.

Homemakers with this training can't help but make this world a happier place in which to live.

LIBRARY

The aim of the library staff is to help the students help themselves through books.

The library, a helpful friend to those in need, opens its doors to all the students. This department has many sources of information at the disposal of those carrying out research and seeking literary enjoyment. This material can be located quickly through the use of the Card Catalog and the Readers' Guide and also through the helpful and courteous librarians.

THE COMMERCIAL DEPT.

The main goal in the Commercial Department is the training of Centralites to meet the requirements of the modern business offices, which are speed, accuracy and production.

Office Practice and Bookkeeping give the student a knowledge in the handling of mail and business forms, the operation of business machines, and the proper method of filing and accounting that are necessary for working in offices today.

Commercial Geography, Civics, and Commercial Law acquaint the student with the activities of the government in meeting world problems and in the understanding of current events and legal situations present in the world today.

Typing is one of the most useful courses in the commercial department. The keyboard, rhythm, and a speed of 40 words a minute are the essentials of typing which confront the first-year student.

Speed building and a project in applying typing techniques to actual office practice make up the second-year study.

One of the most popular commercial subjects is Shorthand. The first-year student finds the strange characters very different from English. The "new language" of Shorthand, dictation, and the building of speed constitute the study for the two years of shorthand.

A speed of 100 words a minute is the goal of each shorthand student.

MUSIC

Music Appreciation and Harmony are two-year courses offered by the Music-Theory Department which have been taught at Central for four years.

A student in the Music Appreciation class listens to all types of music, from the latest song hits to grand operas, from popular dance music to the symphony. The motto that is stressed in this course is: listen, learn, and enjoy.

The Harmony class, which studies the art of writing music, is addressed to students who are looking forward to music as a profession, as well as to those who wish a cultural experience in the harmonic content of music. The student is required to express his own musical ideas in compositions.

NURSING

The nurse, who is always prepared for acute emergencies, finds time to give a helping hand when we are in need of medical attention. As students we are assured of not only mental and spiritual, but also the finest medical attention.

As a freshman each student receives a medical examination. All students are given Tuberculosis test. The nursing department is also a great assistance to parents.

ATTENDANCE DEPT.

The attendance department is very thorough in checking the presence of all students in their classes. These records are kept for future references. This department is under the supervision of Sister Mary Raymond, O.S.F., and Sister Mary Loretta, O.S.F.

Bishop

TOLEDO
1921

Samuel Stritch (now Cardinal)

became Toledo's second bishop.

From the outset he manifested his interest in the expansion of facilities for higher learning within the diocese.

His first year saw the establishment of Toledo Teachers' College and the founding of Mary Manse College. He broke ground for the new Central Catholic high school and under his direction and supervision it was completed. On April 14, 1929, when he

dedicated it he fulfilled his promise "not to be satisfied until he had made Central Catholic

High School not only the best but the finest school in the United States."

MR. PATRICK McCARTHY, Head Football Coach and Athletic Director

Completing his eighth year as head football coach, Mr. McCarty has become well-known and well-liked, and his fighting Irish personality has long been the secret of many Central upsets. No matter how rugged a player is, there is something about "Pat" McCarty which gives players great confidence in him.

Coming to Central in 1943, Mr. McCarty coached the football squad of '44 which finished with a 6 win, 3 loss, 1 tie record. He was called into the service in 1945 and after his discharge and a year of coaching at St. Ambrose College, Davenport, Iowa, he returned to CCHS in 1947.

Since his return he has compiled an overall record of 27 wins and 28 losses, although his 1944 record boosts him over the .500 mark.

MR. PAUL O'ROURKE, Freshman Coach

A graduate of Central's Class of '38 and of the 1942 class of Dayton University, Mr. O'Rourke has recently completed his seventh year as freshman football and basketball coach. Although his 4 win and 2 loss record was impressive, Mr. O'Rourke said he expected more from the team in the future.

MR. LARRY BONDY, Varsity Backfield Coach

Associated with the football team for the eighth year, Mr. Bondy has again turned out some outstanding backfield material. His love for the game has been deeply expressed since his first days at DeSales College, where he was an outstanding tailback, registering at the 145-pound mark.

MR. DAN MODAK, Lightweight Coach

An all-state fullback from Campbell, Ohio, Memorial High, Mr. Modak entered the U.S. Army in 1945. While in the service, Mr. Modak played with different base teams. After receiving his discharge from Uncle Sam, he entered the University of Notre Dame, where he played tackle. Receiving his diploma from the South Bend institution in 1952, he joined the Central staff, replacing Mr. Jim Kurszynke. His lightweight football squad won two, lost two, and tied two.

FOOTBALL

Mr. Pat McCarty, the coach of the "Fighting Irish", can be proud of this year's team. With almost the entire team graduating last year, he had hard work ahead of him. The papers even listed him as the "coach who is building for next year." But knowing how his teams pulled through in the past, he began the hard job of spring practice. The change was almost unbelievable as the Irish began their season. They won four out of their first five games, a great credit to the team. They lost the first game 20 to 6 to Libbey then went on to beat DeVilbiss 13 to 6, then Scott 27 to 12, and Springfield 44 to 13. Waite, their next opponent, proved to be their down fall. After drubbing them 38 to 21, they lost the last two games 27 to 20 to Woodward and 19 to 7 to Detroit.

Many individual players, from this supposedly "green" team, gained recognition. Joe Amstutz made first string All-City linebacker. Al Weckle was nominated first string All-City tackle. Phil Heintschel captured All-City second string guard post. Dan Doherty made second team All-City end, and Jim Fleitz made All-City second string guard. Jack Rahman and Bob George received honorable mention. The player who really received the awards was Ted Csizak. Ted, who was the only unanimous choice for All-City team, was voted captain of the All-City team; was elected most valuable player by his teammates; was chosen by the Downtown Coaches as the most valuable player in the city; was nominated third string All-State halfback and was named to the halfback position on the All-Catholic All-American team. Ted Yambor was voted most valuable substitute by his teammates.

Central can truly be proud of this team of 1953.

Al Cherry
A tiny junior, Al will always be remembered for his fine defensive play. All will welcome his return in September.

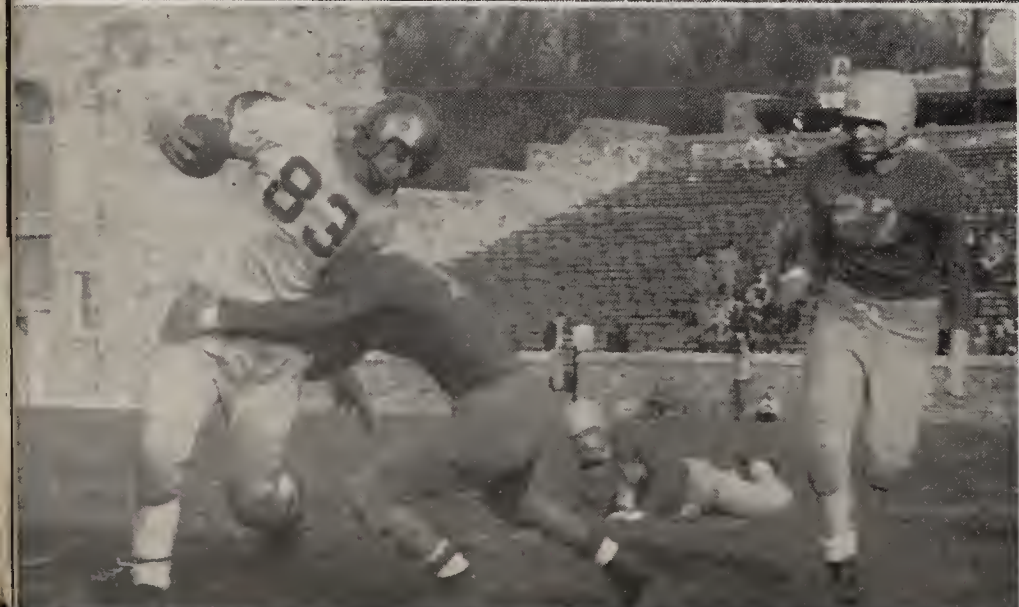

Dan Dcherty
Though slight of build, Dan made himself an unsurmountable obstacle to many an opposing player.

Denny Bowen
A spunky little junior, Denny held down his guard position well and will be a valuable asset to next year's line.

Joe Amstutz
Gesu's contribution to the varsity, "Big Joe" was the biggest quarterback in Central's history, and was chosen All-City linebacker.

Tom Hart
A great defensive linebacker, Tom proved his ability by his many bone-crushing tackles. Much will be expected of him next year.

Ted Csizek
The hardest runner and the city's leading scorer, Ted was the only unanimous choice on the All-City team.

Pat Doyle

A true Irishman with the real fighting spirit, Pat was a terrific punter and a rugged tackle.

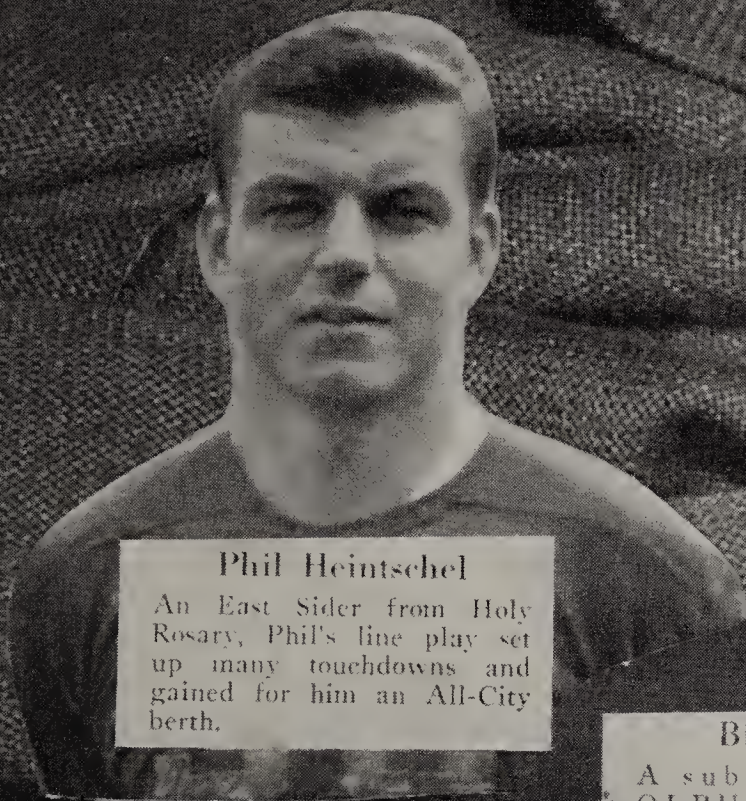

Bob George

Although injured in the Waite game, Bob's outstanding ability as an offensive guard was noticeable because of the many holes in the line.

Dick Jacob

Hailing from St. Catherine, this stalwart lineman let the opposition know of his presence.

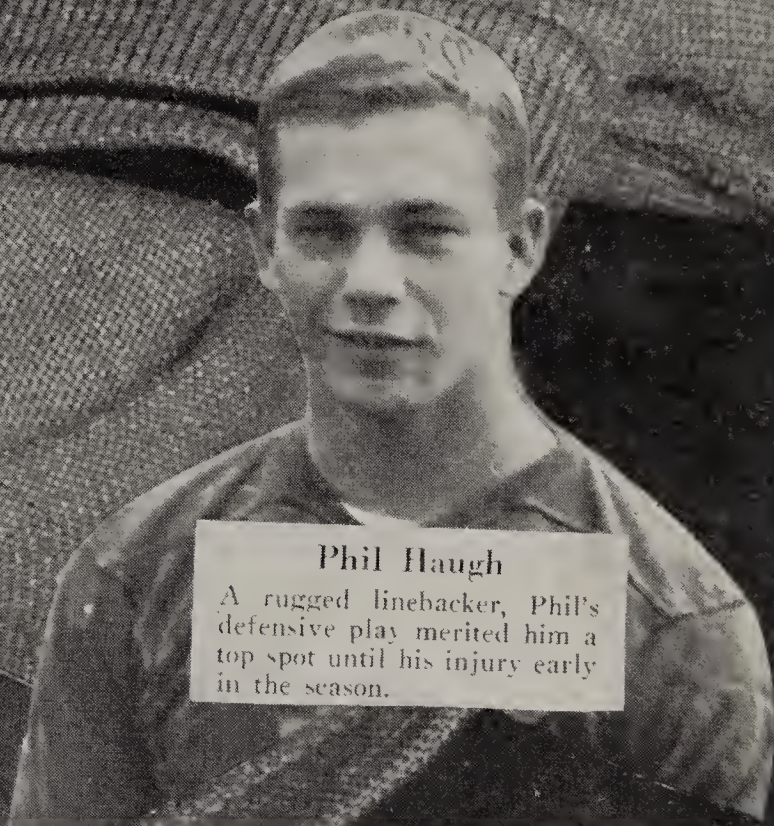

Phil Heintschel

An East Sider from Holy Rosary, Phil's line play set up many touchdowns and gained for him an All-City berth.

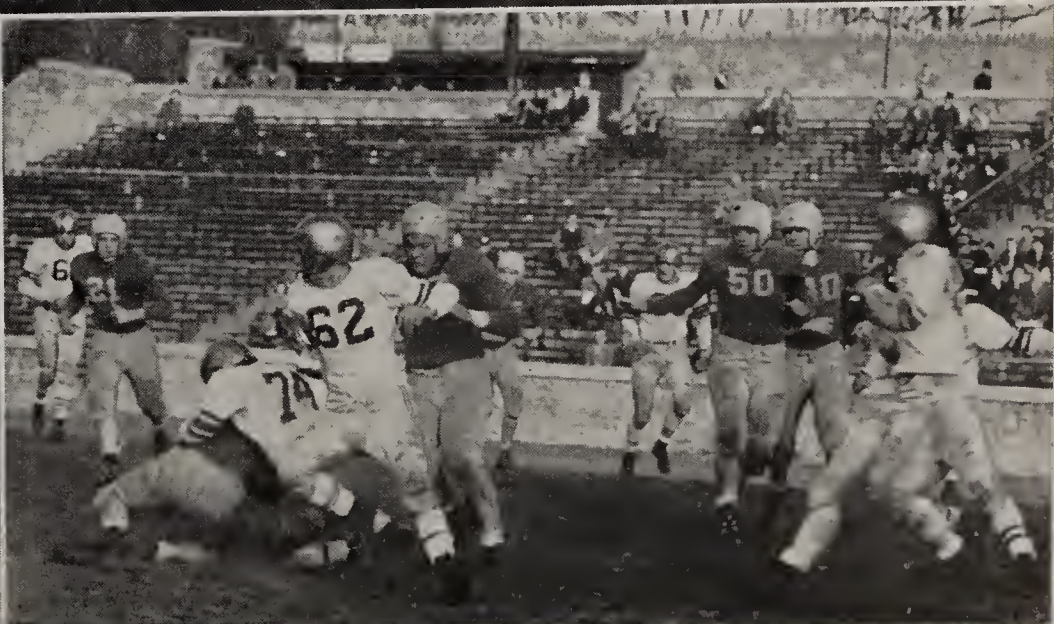

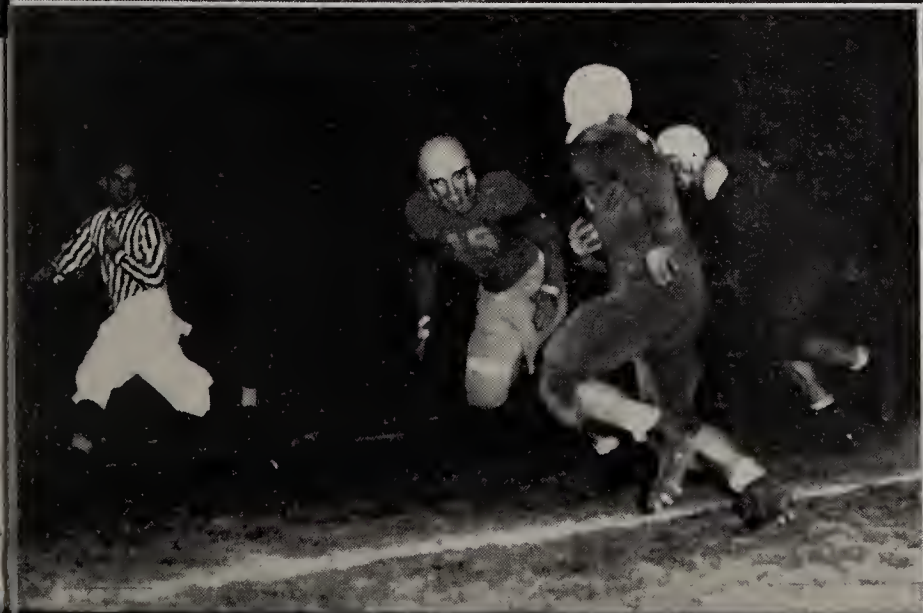

Bill Kennelly

A substitute end from O.L.P.H., Bill, a junior, gained himself a starting position before the season ended.

Phil Haugh

A rugged linebacker, Phil's defensive play merited him a top spot until his injury early in the season.

Bill McNeil

A defensive safetyman, Bill was a standout in every game. We only hope he'll do as well next season.

Mel Kromenacker

Blessed Sacrament's rugged little halfback, "Tippy" was a real hard driver who never gave up.

Bill Snyder

Though injured for two games, Bill displayed the fight and will to win at his defensive end position.

Jack Rahman

A smiling center from Darby, Jack was the sparkplug of the Irish offense and earned himself a first string All-City berth.

Fred Morgan

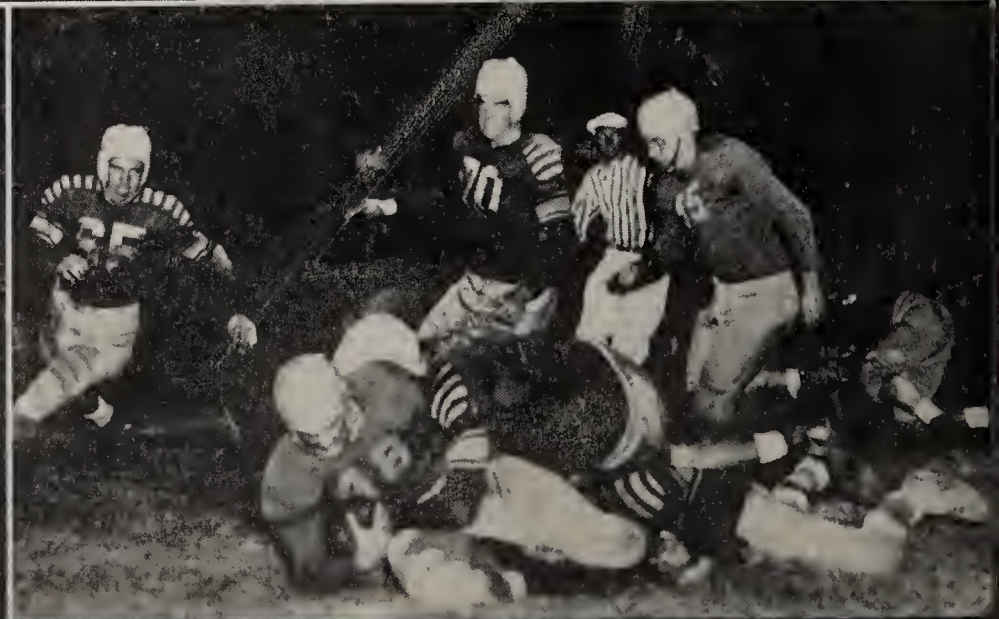

A transferee from Cleveland Cathedral Latin, Fred was one of the better tackles in the city.

Stan Przybylek

The lad with a big heart, St. Vincent de Paul can be proud of "Stasz" and of the way he held down his end position.

Jerry Kwiatkowski

A fleet halfback, Jerry will be hard to stop throughout the next season.

Al Weckle

A rough and ready tackle from Good Shepherd, Al's All-City nomination earned him the respect of all opponents.

John Veres

A rugged junior guard, proved this year that his services will be greatly needed during the season to come.

Bill Mullen

A rangy end from Cathedral, "Moons" proved to be a vital asset to the team in the pass reception column.

Tom Weaver

Another Cathedral lad, Tom was a hard running back with a lot of drive and spirit.

Ted Yambor

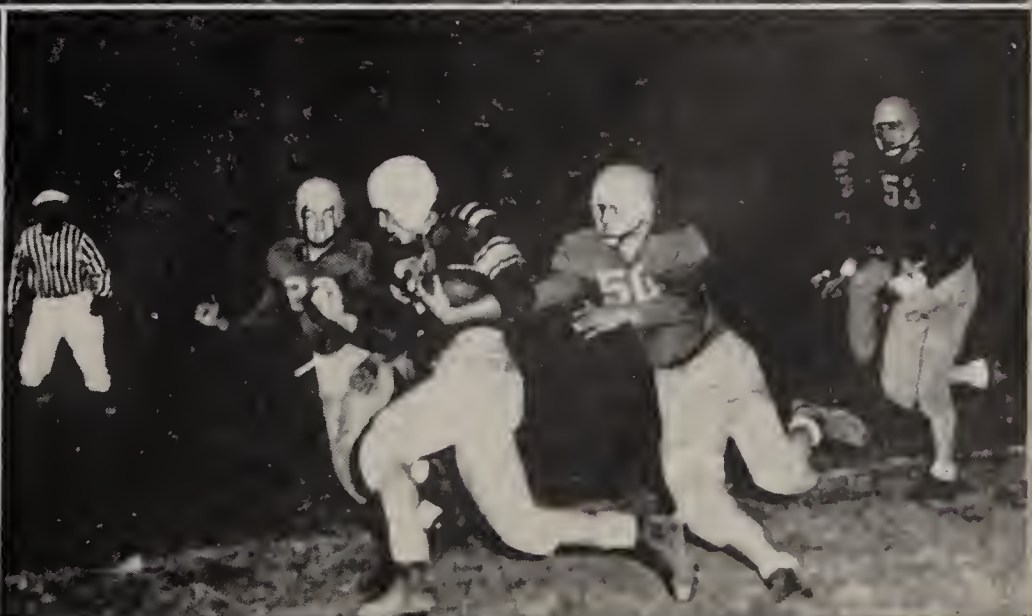

A spirited lad from St. Stephen's, "Yam" was voted the Most Deserving Substitute award by his teammates.

Jim Fleitz

As tough as the Rock of Gibraltar, "Sam" was the cause of many a shaken up player.

Tom Schumaker

A speedy end, "Shoes" saw history repeat itself — as last year, he was sidelined by injuries after two games.

MIR. LARRY BONDY

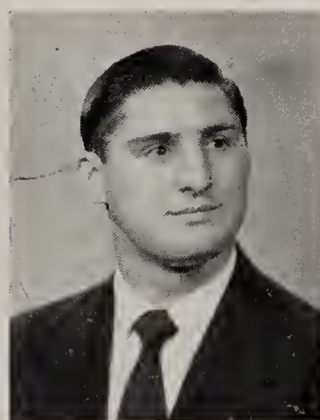

Varsity Basketball Coach

At the helm for the eighth year, Mr. Bondy has again shown that, defiant of all local protests, he is inclined to know something about the sport. Over his period of eight years which include the year of 1943 before he entered the Armed Service, Mr. Bondy has compiled the unsurpassable record of 171 wins and 31 losses, this season's total being his poorest, 14-7, giving him a percentage for the year of 66.7%, compared with the overall percentage of 84.65.

MR. DAN MODAK

Lightweight Coach

Making his bid for popularity for the first time this year, Mr. Modak was unhappily set back as his lightweight basketball team dropped its first eleven straight. He managed a sigh of relief when they bounced back to win the final over Scott by a single point, 45-44. Mr. Modak still insists that they are a bunch of "Rum-Dums", but hopes for more support from the student body in the years to come. He mentioned that he had never seen a school where the student following was just for the varsity, and not for the frosh or junior varsity.

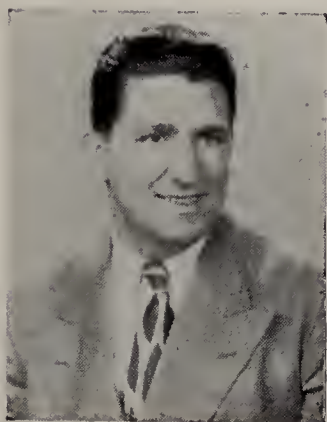

Mr. D. Modak

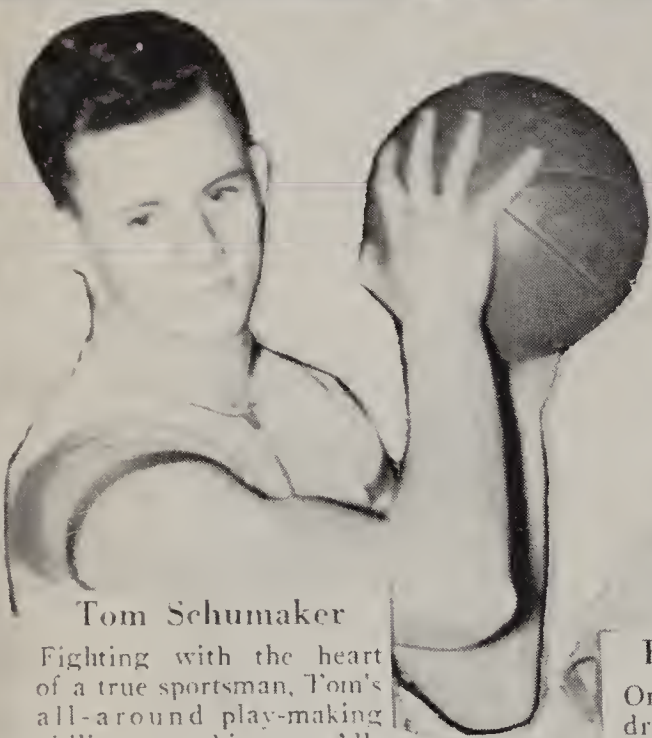

MR. PAUL O'ROURKE

Freshman Coach

For the first time in two years, Mr. O'Rourke can not lay claim to a freshman basketball title, but no one can say that his team did not have all the make-up of a champion. They were on the winning side for eight games, while they lost only three, two of these by a mere point. They have shown themselves to be potential crown-holders for the future, and with the fine priming lesson from Mr. O'Rourke, they should develop into the champs of '56.

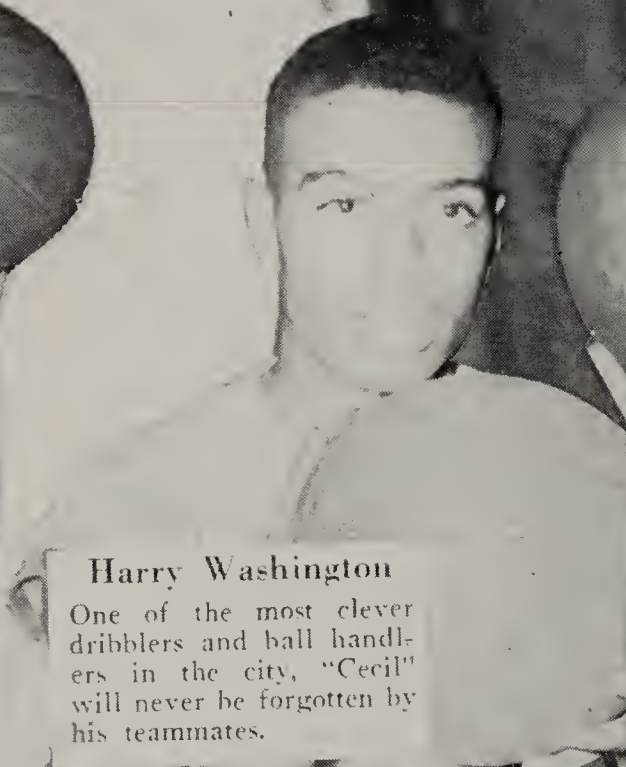

Mr. Paul O'Rourke

Tom Schumaker

Fighting with the heart of a true sportsman, Tom's all-around play-making ability won him an All-City spot in all polls.

Harry Washington

One of the most clever dribblers and ball handlers in the city, "Cecil" will never be forgotten by his teammates.

Joe Amstutz

Displaying an immovable force on the court, Joe's ability to deceive the opponent's by his sensational drive-in shots was well noticed toward the end of the season.

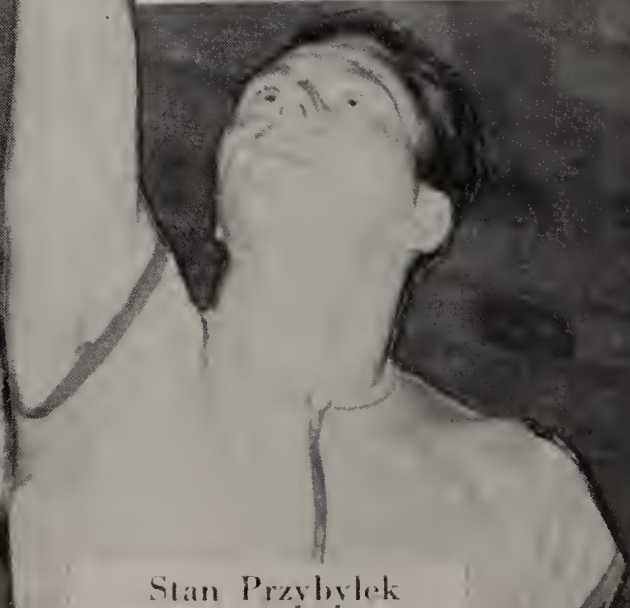

Jim McHugh

A dead set shot who should be one of the real bulwarks of next year's hoopsters, "Deege" was one of the greatest assets which the reserves had to offer.

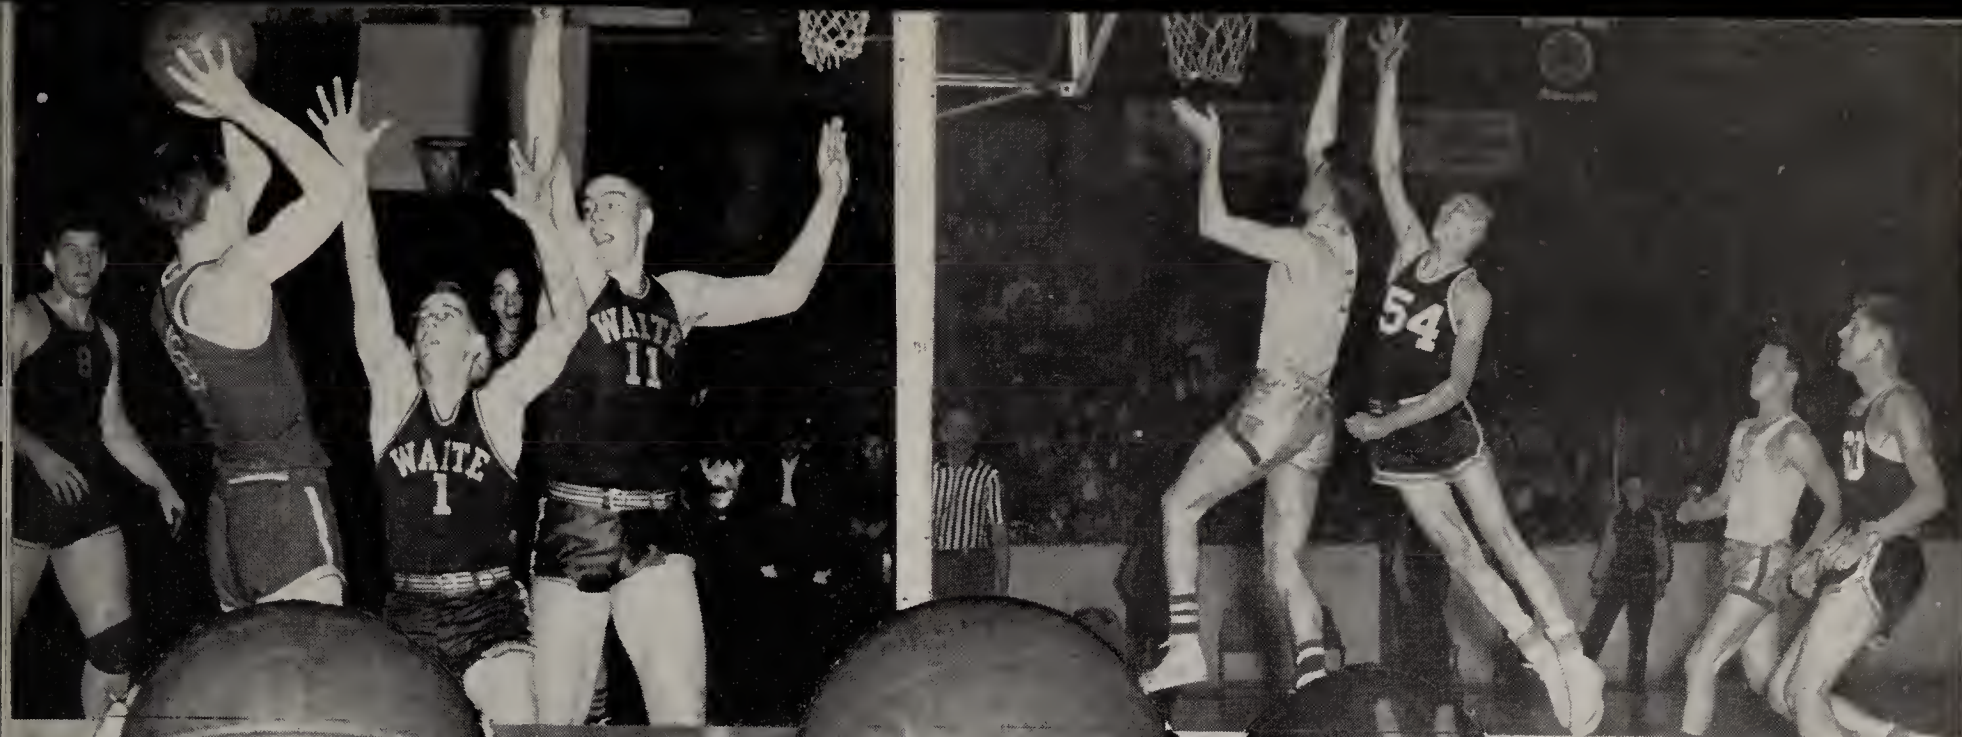

Lee Hood

Attaining the highest team point average this season, Lee will be eagerly welcomed back by his comrades in September.

Stan Przybylek

Grabbing enough rebounds to offset the few points he was able to muster up throughout the season, Stan's gigantic frame will be missed by all, next year.

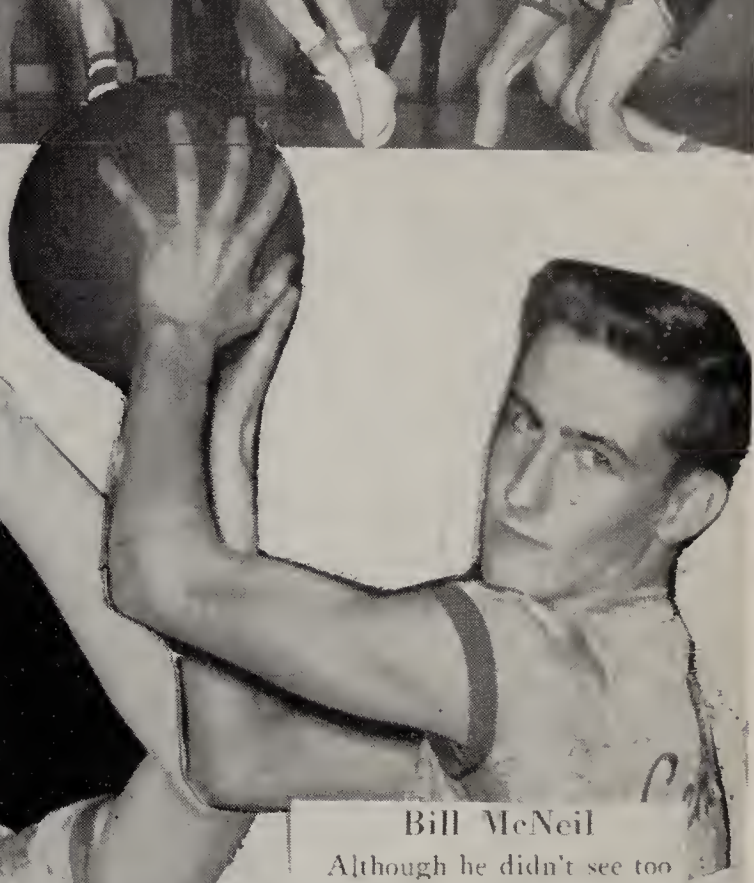

Barney Wagner

A capable substitute whose action was somewhat limited, Barney should prove a very valuable asset to the Bondymen next season.

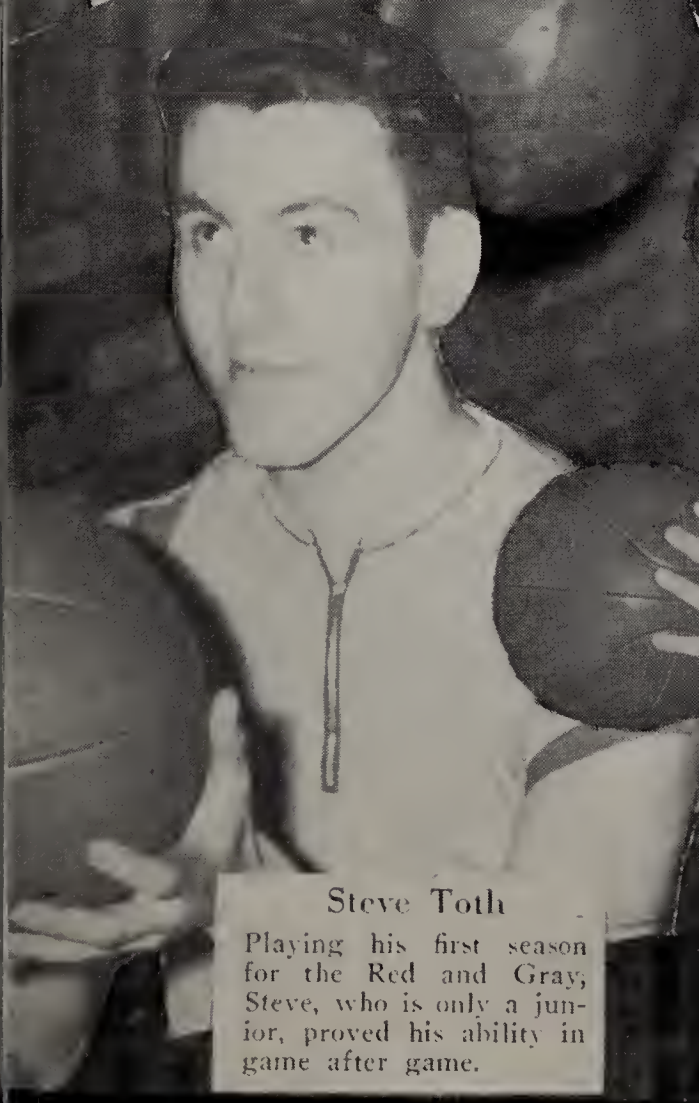

Paul Wenzel

Voted the Most Valuable Player Award by the rest of the team, Paul's 6'4" rebounding frame will be missed next season.

Bill McNeil

Although he didn't see too much action this year, this junior guard has shown great potentiality for the court next year.

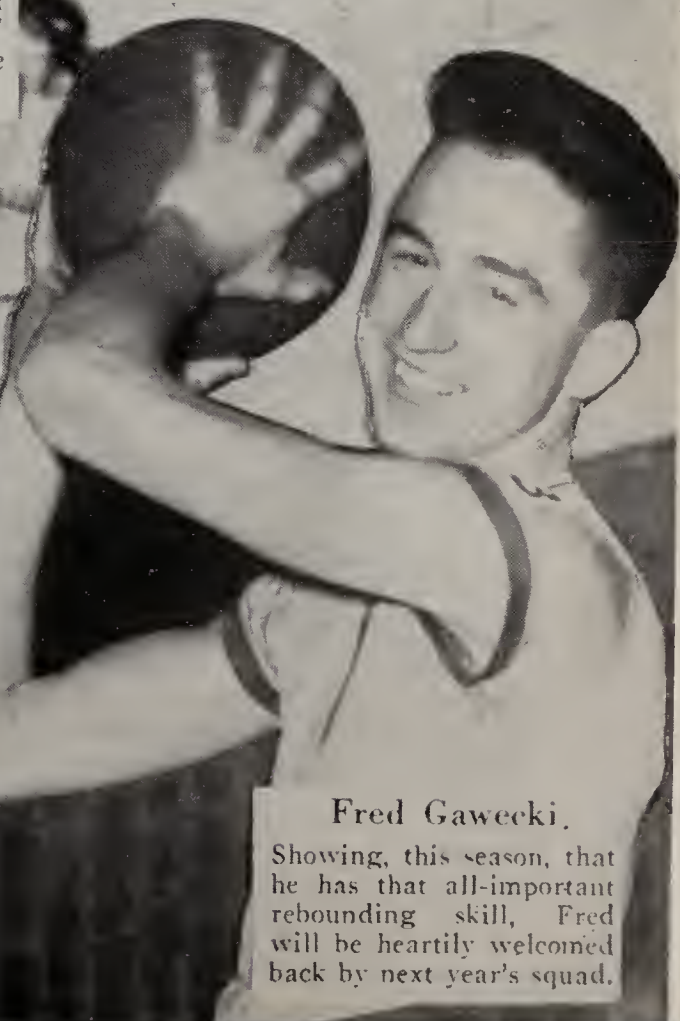

Steve Toth

Playing his first season for the Red and Gray, Steve, who is only a junior, proved his ability in game after game.

Pat Nicholson

Among the seven returning juniors, Pat, a hard fighter, will keep the name of the "Fighting Irish" on top.

Fred Gawecki

Showing, this season, that he has that all-important rebounding skill, Fred will be heartily welcomed back by next year's squad.

For years the residents of the Toledo area who represent rival schools have said repeatedly, "Wait until Larry Bondy finds a shortage of material, we'll see what kind of a coach he is." Well, in September, 1953, the Cherry Street coach faced this situation. In looking over the prospects for a basketball team he saw that the majority of his material was strictly green. The entire starting team, which carried him to Columbus last spring, had graduated, leaving him only six or seven second-stringers who had not seen much action. The experts predicted last place, but the team was determined, willing to learn and all had fighting hearts which led them to deserve the title "Fighting Irish."

In the regular season this gallant group won fourteen games while losing only five. To break that down farther they won eight out of twelve city league games to gain a share of the city crown. Going further, they entered the sectional tournament in which they advanced to the finals before meeting defeat at the hands of the Woodward Polar Bears.

This seemingly "green" material proved to the whole city that they were outstanding. They placed four men on each of the all-city listings. The Toledo Blade placed Tom Schumaker on the second team and gave honorable mention to Lee Hood, Stan Przybylek, and Harry Washington. On the other side of the fence the Toledo Times placed Tom Schumaker on the first five and awarded Joe Amstutz, Lee Hood and Harry Washington honorable mention.

BASEBALL TEAM

Although hampered by the cold and rainy weather and spring football practice, Mr. D. Modak and Mr. R. Donovan finally succeeded in picking a team to represent Central in the City's baseball program. The Celts lost all but four lettermen from last year's nine which captured the city-championship.

The pitching staff was paced by Pat "Fireball" McAlear, Bill "Lefty" Meehan, and Tom Hart. At third base, Jim Nopper, a senior finished his fourth year on Central's varsity. John "Mickey" McManus, who acquired a habit of losing balls over the right field fence, was stationed at first base. Tom Grabowski, Frank Phelps, Phil Heintschel, and Bill Mullen roamed the outer garden and led the Irish with their timely hits. Jim Areddy and Chuck Farrell shared the catching duties.

This year's team consisted mostly of underclassmen who will produce many victories in the next few years. The Irish played each city school once and started their drive toward the State Championship, Tuesday, April 28, with Pat McAlear spinning a one-hit 8-0 victory over Libbey.

GIRLS' SPORTS

The G A L leaders do all they can to make the Girls' Athletic League one of the most worthwhile of the school program.

Their leaders, however, need guiding which is supplied by Miss Joan Leonhardt,, girls' gym instructor, who is most capable of carrying out the task set before her.

The G A L works together as a group doing its best to attain a spirit of charity among its members.

Members of the G A L are able to participate in an active program of bowling which continues through most of the year. Also highlighting the agenda are splash parties and picnics which are readily answered by a large turnout of girls.

Through the Girls' Athletic League, the girls gain a sense of co-operation since it is up to them to make this organization a success.

Getting along with others and learning new games is the purpose of the gym class. Activity plus marks this period as one of the enjoyable of the week, to which the girls look forward with earnestness. Basketball, volleyball, and softball are some of the sports played during the entire year.

TOLEDO
1931

Toledoan, Bishop

Alter (now Archbishop of Cincinnati) became the third bishop of Toledo in 1931. Continuing the work of his predecessors in the education of Catholic Youth he established the Confraternity of Christian Doctrine for the religious training of Catholic children attending the public schools. In 1949, a twenty-one year anticipation was realized when the new Memorial King of Central Catholic, which had been constructed under his supervision, was blessed and dedicated to the seventy-three Centralites who gave their lives in World War II. The next year witnessed the departure of Bishop Alter for Cincinnati.

The Most Reverend G. J. Rehring
became Toledo's fourth bishop
July 24, 1950.

Organizations

STUDENT SPIRITUAL COUNCIL

The Student Spiritual Council, composed of the Literature Committee, the St. John Berchman Society, the Eucharistic-Marian Committee, the St. Hilda Guild, and the Apostolic Committee, is one of the most important organization groups.

Its aim is the development of the spiritual life of the students. The committees comprising this council strive to insert the religious ideals and Christian principles into the everyday life of the student.

Eucharistic-Marian Committee

The Eucharistic Marian Committee is an organization showing the students the importance of devotion to the Blessed Sacrament and to Our Lady. For that purpose, it urges students to say the rosary every day, especially during the months of October and May. Another intention of the department is to stimulate other students, by their example, to receive daily Communion and make daily visits to the Chapel. Meetings are held every two weeks and at the end of the year, a chosen queen crowns the Blessed Virgin Mary at the May Convocation.

T. Black, R. Boston, J. Hayward, R. Cousino

J. Flynn, L. Meier, R. Weitrowski, B. Sutton

D. Sodoski, M. E. Rudy, M. J. Sexton, C. Spain

Apostolic Committee

The Apostolic Committee endeavors to develop loyalty and devotion to the Church by making it their chief duty to encourage students to share in the primary work of the Apostles.

The committee consists of one representative from each conference room and other students who are interested in this type of work.

The Apostolic Committee promotes many activities: Christmas seal and card drive, mission drive, the Guard of Honor, and the Church Unity Octave.

R. Francis, T. Black, M. Veigel, L. Alesi

St. John Berchman Society

Saint John Berchman Society is an organization that is entirely connected with the spiritual aspect of education at C.C.H.S. This organization has been at Central for seventeen years and serving Mass, promoting religious vocations, and the May Convocation are among its various duties.

T. Black, K. Keller, B. Meehan, L. Alesi, B. Boaden

Literature Committee

The promotion of Christian reading, among Central students and their families, is the main objective of the Literature Committee. It has tried to instill in the student body good reading habits by means of many attractive posters and displays as shown during Book Week sponsored each year. A monthly list of excellent reading material is also compiled and distributed. The Literature Committee also sponsors the Faculty Tea and several assemblies.

J. Auth, J. Spenthoff, L. Alesi, J. Stelzer, J. Tillman

St. Hilda's Guild

Our Chapel is neatly cared for by the zealous members of the St. Hilda's Guild under the patronage of St. Hilda. The Guild consists of members of the girls' art classes. Because of their zeal the sacristy is always prepared for use; and in general, God's home at Central is kept in perfect condition. This organization is a branch of the Student Spiritual Council and it is indispensable.

J. Spenthoff, J. Klap, J. Hass, J. Halker, N. Roskuski, C. Mayer

THE STUDENT COUNCIL

1. To establish higher student ideals, to create and foster a spirit of understanding and co-operation between students and faculty, to provide means for the discussion, promotion, and direction of school activities, and to determine the collective will of the student body are the objectives of the Student Council, the organization which affords the opportunity of student participation in the school's government.

2. This group is composed of representatives from each conference room, the class officers, and the presidents of the different organizations.

3. The annual activities sponsored are the Junior-Senior Prom, Color Day, the Talent Assembly, the Tag Days, school dances, the Hall Patrol, Community Chest, Catholic Chronicle Drive, and the many Tax Stamp drives.

4. Revitalization of the Student Court, Sportsmanship Week, larger sized class rings, composition of an Alma Mater Song, and an active participation in the Toledo Area Student Council were the more important innovations undertaken by this group during the year.

ORCHESTRA

This year's orchestra, composed of 28 pieces, made an early debut under the direction of their new moderator, Mr. John Bennett. Their preliminary activities consisted in playing at special assemblies, particularly the Music Department assembly. The first of their twofold major activities consisted in providing the music between the acts of the 1953 Senior Play, "Mary, Queen of Scotland". The second activity was the operetta, "My Maryland", which proved exceptional and worthy of praise, permitting Toledoans to witness the benefits derived from such an organization.

The Centric

Lehr Barkenquest

The office of the Centric, Central's school paper, hums with busy journalism students, trying to meet various assignments. The students of this class comprise the staff of the paper. The Centric is published bi-monthly, and is eagerly awaited by the students and teachers.

It discloses the current and future events of the school, curricular and extra-curricular, certain city news, as well as the news of other schools. It endeavors to bring out the accomplishments in the scholastic life of the school.

The Centric is more than a paper. It is the results of the students interest in the field of journalism.

The Centripetal

The Centripetal is the work of a group of seniors who wish to capture in print the high school as lived at CCHS.

The same spirit, which enabled the class of '53 to make the yearbook drive a financial success, motivated the annual's staff during the long hours of proof reading, correcting and editing the copy. With untiring effort they have endeavored to present a yearbook, which not only will keep alive the happy memories of the four years at Central but also will be a fitting commemoration of the one hundred and fiftieth anniversary of the State of Ohio.

LIBRARY CLUB

This organization was established to aid students and faculty members and to assist the librarians in the work in the Library.

CATHOLIC ART APOSTOLATE

The aim of the Catholic Art Apostolate is to bring good morals and decency into modern art. For the past two years the members of the CAA have met once a week to report on their progress in the arts and to plan new fields of endeavor by which their souls, minds and bodies may profit.

Future Teachers of America

The Future Teachers of America, an active group at Central, by its interest and vigor in carrying out its purposes has made this club a progressive and successful one.

The purpose of this organization is three-fold: explanatory, provocational, and character forming. Its establishment is also three-fold (1) to aid young people in getting the facts and opportunities of the teaching profession in their locale, their state and their country; (2) to study the lives of great teachers in order that they may be an inspiration to them and to develop student leadership; (3) and to cultivate many good character qualities essential to a good teacher.

Y. C. S.

To help students fulfill, as completely as possible, the demands of their "Student Vocation," and to help solve the problems that are met in student life, is the service that the Y.C.S. aims to provide for their fellow students.

Besides attempting to assist students in their individual needs, the Central Y.C.S. this year undertook to provide group service in projects, such as "Study Week", on the fifth annual "Career Day".

MAY CONVOCATION

"Oh Mary, we crown thee with blossoms today"—with the singing of these words, the crown of flowers is placed on the head of our Mother, Mary. At this time, each student mentally dedicates himself to Mary.

The May Convocation is an annual event which commemorates the homage, love and deep devotion each Central student has for Mary, "Queen of the Angels and Queen of the May."

JUNIOR-SENIOR PROM

The annual Junior-Senior Prom marks the end of the social activities of the school year. This, the biggest dance of the year, sponsored by the Junior Student Council in cooperation with the Alumni Association, is one of the most-anxiously awaited occasions.

A. Cherry, B. Urbanowicz, J. Kneese, and K. Smith receive the Senior Light from W. Meehan, C. Halker, R. Francis, and R. Griswold.

TORCH NIGHT

"Torch Night", now an annual affair, is an evening designated as senior-junior investiture night. At the ceremony seniors place in the hands of the juniors a light symbolic of the authority of the seniors of the school. At this time the seniors challenge the juniors to top their record in all activities. The night is climaxed with entertainment and dancing.

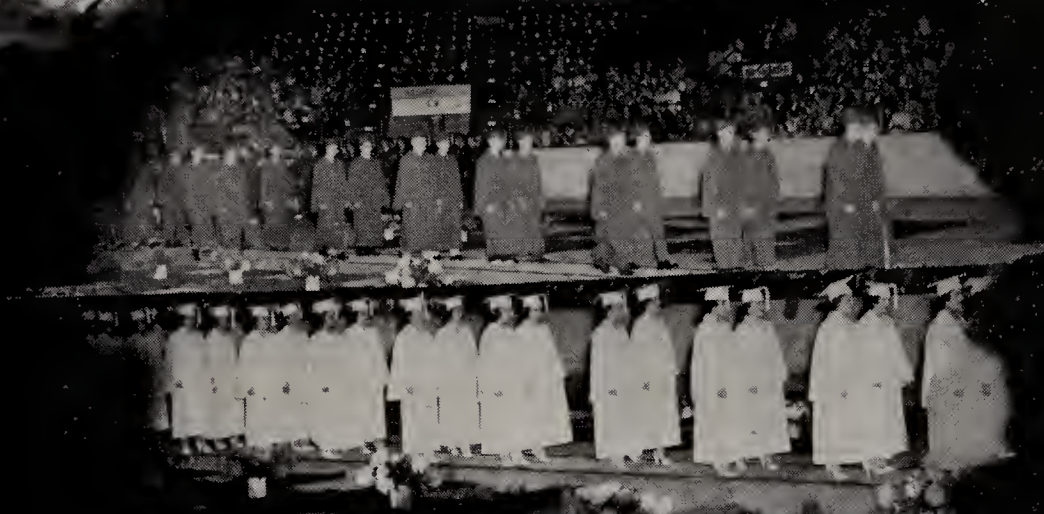

C. Hirschle and L. Uyehara represent the seniors as they envision graduation events.

GRADUATION

Carl Hirschle and Loretta Uyehara, representing the entire senior class, look into the future with hearts yielding both joy and sorrow. Joy because of the knowledge they possess and the pride they feel for a job well done. In the midst of this joy, however, there is a touch of sorrow; the sorrow a person feels when parting with a great friend. Realizing this the graduating seniors step forth into the world with a firm determination to make this world a better place in which to live.

"Charity is patient, is kind." These words, taken from the Epistle of St. Paul

Former Principal

Very Rev. R. G. Kirsch

to the Corinthians, describe the life of the Very Rev. R. G. Kirsch, third principal of Central Catholic High.

First as a teacher, then as principal, Father gave seventeen years of his priestly life to this school. The building campaign for a new Central was started and the school was completed under his supervision.

Father Kirsch died December 6, 1952 in the rectory of St. Wendelin's Parish, where he was pastor.

Death claimed the Rev. G. W. E. Dunne, former faculty member, January 29, 1953.

For twenty-six years Father guided the boys of Central's Mechanical Art Department, not only in the mechanical field but also in the spiritual way of life.

"Poet, builder of character and lover of boys, in whom he instills the lofty ideals of strong courageous Christian men," the dedication words of the Centripetal staff of 1931, well depict the character and work of Father Dunne who spent most of his priestly life teaching the youth of Central.

*It is given to only a few to
use their life span to benefit
all generations to come after
them . . . Such was the gift
of Thomas Alva Edison, pio-
neer in applying electricity to
better the lot of mankind.*

**We are proud
to bear his name**

• Only a holder of the original Edison license may use the name "Edison" as part of its corporate title. It is the mark of a pioneer. Toledo Edison, a business-managed, tax-paying electric company, is proud to be so honored . . . In this our 50th Anniversary Year we renew our pledge to serve our customers to the very best of our ability.
